

ComedySportz 2017-2018

Wow! We were incredibly impressed with all of the talent that we saw over these past two days. We had over 90 students turn out for auditions. Unfortunately, there were a limited number of spots available. We hope that if you didn't make the team that you'll still consider trying out at the beginning of second semester.

Congratulations to everyone who made the team! We will be having our first practice this Tuesday from 7-9pm. We'll see you then. We're looking forward to a great year!

Thanks again!
