

Producing Sponsor Opportunities

Calabasas High School Theater Program

Calabasas High School's Theater invites you to become a Sponsor of our fall play or spring student musical production, to be held at our state-of-the-art Performing Arts Education Center.

Your sponsorship will provide our students and audiences a higher-level production value. It will allow us to keep an accessible ticket price while providing more possibilities for the students working with the sets, costumes, props, and all of the other production needs that go into a world-class student theater production. In short, your tax-deductible donation will allow us to continue offering professional-level theatrical productions that inspire and amaze. Our students, families, and community will thank you!

Why Sponsor CHS Theater?

- The broad spectrum of benefits outlined in the Sponsorship Benefits table (next page).
- Exposure to 3,000 community members.
- Additional exposure to approximately 30,000 community members through advertising in the weeks leading up to the performances.
- The satisfaction of helping the performing arts to continue to thrive for the next generation.
